**Grow IT** didn't have the most traditional beginning. We started out as 2 separate firms, both with a passion for helping IT Consulting companies grow.

It didn't matter that we started out as competitors, all we cared about was cracking the code of IT Consulting growth. After a month of collaborating and finally cracking the code, it hit us. Why not combine the brains, experience and resources of our firms, we knew we could 10x the results for our partners and ultimately help more founders achieve their dreams.
