French<>Arabic VRI/OPI Interpretation Vacancy

[Apply Now](#)

Company: Future Group

Location: Sidi M'Hamed

Category: educational-instruction-and-library

We are hiring French< >Arabic OPI/VRI Interpreters

If you are passionate about different languages and interpretation, we need you!

We are looking for professional remote interpreters who want to join an international company and be a great help to the community.

An Over-the-Phone Interpreters (OPI) /Video Remote Interpreters (VRI) in Future Group Translation and Localization Services provide accurate communication between non-French and French speakers during the calls. They carry out exclusive service in different fields and industries and assure transparency during the conversation.

Interpreters in Future Group Translation and Localization Services are linguistic experts, fast workers when it comes to the information mentioned during the call, and renowned for their high level of tolerance, accuracy, and expertise.

After you familiarize yourself with the following description of the position, you can click [Apply now](#) and send us your resume and certificate in PDF or Word files.

Locationworldwide

Your responsibilities:

Answer calls in a professional manner, acting according to the Interpreter's code of conduct.

Be always prepared to take notes during a call.

Be aware of the specific vocabulary of the industry the interpreter works with (healthcare and medical one, specifically).

Rendering all messages accurately and completely, without adding, omitting, or substituting.

Provide the highest level of customer service during interpreting

Facilitate communication between Limited French Proficient and Client by rendering accurate and complete interpretation of the message. Applying standards of practice

Go into internal professional training.

Be eager to get new professional certifications.

Communicate and report to your team leader.

Comply with dress code requirements for video remote interpreting.

Your background and experience:

Fluent in source language (French) and Native in target language Arabic.

1+ years of over the telephone interpretation experience in a well-known interpretation company.

Good knowledge of medical terminology.

Awareness in legal terminology is a plus.
