Company: Petrofac

Location: Sidi M'Hamed

Category: other-general

Petrofac is a leading international service provider to the energy industry, with a diverse client portfolio including many of the world's leading energy companies.

We design, build, manage and maintain infrastructure for our clients. We recruit, reward, and develop our people based on merit regardless of race, nationality, religion, gender, age, sexual orientation, marital status or disability. We value our people and treat everyone who works for or with Petrofac fairly and without discrimination.

The world is re-thinking its energy supply and energy security needs, planning for a phased transition to alternative energy sources. We are here to help our clients meet these evolving energy needs.

This is an exciting time to join us on this journey.

JOB TITLE: MANAGER - HSE

KEY RESPONSIBILITIES:

Maintain day to day management of HSE compliance assurance & training programs and assist in their development.

Review, monitoring of implementation of HSE compliance assurance & training component of the HSEMS.

Maintain daily working relationship with other HSE team members, line management and subcontractors in relation of their respective compliance assurance & training compliance programs.

Continually maintain an appropriate level of awareness, knowledge and preparedness to create

a culture that prioritizes effective HSE and balances overall associated costs.

Review internal HSE policies and practices to ensure they are current and appropriate; conduct hazard and risk assessments and change existing, or develop new recommendations from these assessments.

Develop and coordinate the delivery of plans to put in place compliance activity where it is otherwise absent or unsatisfactory.

Review and report the effectiveness of compliance assurance programs of E&C.

Develop, coach and mentor internal HSE auditors to ensure consistency across all projects.

Conduct HSEMS audits, recommend corrective actions and follow through on HSE areas for improvement.

Contribute to the HSE lessons learned forum and ensure effective communication of lessons learned and HSE alerts.

Contribute to the HSE component of the action tracking system.

Assist fully in the investigation of incidents and near misses.

Provide assistance in HSEMS development and improvement.

Ensure Corporate Objectives, Policies and Procedures are implemented within designated area.

Promote opportunities for HSE compliance assurance & improvement within the division.

Provide regular, reliable reports and data for monitoring HSE compliance assurance performance.
