### Why join Muzz?

We're a profitable Consumer Tech startup, backed by Y Combinator (S17) and based in London. Join our fast growing 120+ strong team and work on an amazing product that's changing the world.

### A great product

We're the leading app in this space with over 10 million members worldwide and counting!

### Level up quickly

Work with talented, generous people on the kinds of challenges you'll be proud to share.

### A diverse team

We have people from all walks of life all adding their unique perspective. Muslims and non-Muslims, cat lovers and dog lovers. Everyone is welcome!

### Meaningful equity

We're all working together to succeed and everyone on the team gets a slice of the pie.

### A hackathon every quarter

We value curiosity and building something wacky (but useful!). Every quarter we organise into random teams and together we build, code, and prototype. Prizes and dinner complete the day!

### International travel

We fly the whole team to somewhere amazing twice a year to connect and have fun.

### Regular socials

Mini golf, hikes, super competitive Catan nights - we've done it all. Maybe you'll be at the

next social?

## Generous Holiday / PTO

All full-time members get at least 33 days of holiday, regardless of where they live.
